Military Records and Resources

Military Burials during War time are difficult to track.
I have discovered a booklet and a film that details the process of moving Burials from
various locations
to National Cemeteries.

"Statement of the disposition of some of the bodies of deceased Union soldiers and
prisoners of war whose remains have been removed to national cemeteries in the
southern and western states"; v. 01-04 [Missouri = Pages 25-26]

During the 1960's and 1970's, a Gentleman named Sherman Lee Pompey did a lot of Military
Research:

Quite a few of his works can be found in the FS Catalog: The focus of his research seems to
surround the Civil War

along with the Cavalry and Infantry Troops who were involved.

There are a lot of Burial Records for those who fought and lost their lives from one cause or
another.
